## An Investment in RPAC is an Investment in YOU

Every RPAC dollar is used for three simple reasons:

- Protect property rights and the business of real estate
- Educate elected officials about issues affecting REALTORS®
- Support candidates of the "REALTOR® Party" — those who support the real estate industry

Invest today at [www.oregonrealtors.org/InvestInRPAC](http://www.oregonrealtors.org/InvestInRPAC)

## DID YOU KNOW?

The State of Oregon offers a dollar-for-dollar **tax credit** for your \$50 investment in the REALTOR® PAC (\$100 for joint filers).

That means if you invest \$50, you get that \$50 back from the state.
