EverMed **No Co-Pay** Primary Care for Your Family

Unlimited access to Primary Care

What that means to you is never having to hesitate to seek care or even call to see if it is recommended that you be seen. Your DPC provider is there for you and your family.

You can even be seen for multiple issues or have multiple family members seen in one visit.

No Co-pays for Primary Care

Money and copays are no longer a barrier to care.

Telehealth

Have to pack up all the kids, take time out of work or travelling? Or just plain want to feel crummy at home and not have to go anywhere? If appropriate, telemedicine lets you diagnosed and treated via secure text, email, phone or portal.

Acute Care (Yep, still no co-pays!)

All EverMed DPC practices manage acute care—minor sprains, the flu and sniffles, but some locations offer full Urgent Care services including X-ray, simple casting and sutures.
